

# Cure Systems LLC

“Your Flame Systems Specialist”

“Our Mission”  
Your Complete Satisfaction

About Us

Serving The Folding Carton, Packaging, Printing & Paper Converting Industry

*Cure Systems LLC, your international OEM, has taken the products that you know and depend on to a whole new level. We offer a complete line of High Velocity Flame Sealers, Pre & Post Surface Treaters, Pre-Heaters, Hot Air Impingement systems, Dryers and of course our industry standard Wise type High Velocity Burners.*

*Our international experience offers assurance of compliance to stringent codes and electrical requirements. We now offer more design and control options, more international on site service availability, on time delivery, all at an economical price for systems that will continue to payback, year after year, through dependable service, low operating & maintenance cost and improved throughput and quality.*

*We continue to service Wise systems for repairs, upgrades, new & re-condition burners and general service requirements. Please allow us the opportunity to service you flame systems requirements to your complete satisfaction.*
